Post-Secondary Enrollment Options Program
In Partnership with the Cleveland Clinic’s Office of Civic Education

John Carroll University’s College of Arts and Sciences is pleased to offer John Carroll credit to qualified high school students who participate in the Cleveland Clinic’s Summer Internship offered through the Office of Civic Education Initiatives.

Students who participate in the summer program have the following option which allows high school students to choose, upon enrollment, college credit. In this case the cost of the program is funded entirely by the student’s family. (Tuition for three semester credits is $900.00; this represents a tuition discount for students enrolled in the CCF programs).

Admission Criteria
Students seeking admission to John Carroll University’s PSEO Program with the Cleveland Clinic’s Office of Civic Education should meet or exceed the following criteria:

- 3.0 cumulative high school grade point average based on a 4.0 scale;
- Mastery of introductory college prep curriculum;
- An ACT composite score of 23 or combined SAT score of 1070;
- In addition, students earning JCU credit must agree to participate in an evening activity on JCU’s campus in July, (date to be determined). The activity will begin at 5:30 and include a campus tour, a lab experience, and dinner.

Students seeking admission to John Carroll University’s PSEO Program are responsible for submitting the following application materials by JUNE 21:

- PSEOP Application
- PSEOP Counselor/Principal Recommendation Form
- Official High School Transcript (received in a sealed envelope)
