

# JOHN CARROLL UNIVERSITY

For more than 125 years, John Carroll University has been focused on graduating students with intellect and character in the Jesuit tradition of educational excellence.

John Carroll is located in University Heights, Ohio, a beautiful and safe suburb of Cleveland. We offer approximately 70 majors and a wide array of other academic minors and concentrations that enrich our students and add depth and flexibility to their studies. Some of our most popular programs include biology, business, communication, psychological science, and education. Students will also be able to explore subjects like entrepreneurship, leadership, public health, forensic science, and Catholic studies through a minor or concentration.

## What's New?

- The **Mike Cleary Program in Sports Studies** helps students gain a competitive edge in sports-related careers. Sports studies majors can focus in sports and athletic administration, coaching and recreation, or sports and wellness for diverse populations.
- Our **healthcare information technology** major prepares students to develop software to improve healthcare. We've partnered with industry leaders, including the Cleveland Clinic, so students can collaborate on professional projects in the classroom and through internships.
- Our **professional healthcare preparation minor and certificate program** helps students explore and enhance career options in this rapidly growing field. The program will complement a student's major by emphasizing healthcare communication, ethics, management, and compassionate care.
- **Men's lacrosse** had a highly successful inaugural season, finishing with a record of 13-4 and advancing to the Ohio Athletic Conference (OAC) Championship. Spring 2015 will mark the start of the inaugural season for **women's lacrosse** at JCU.

## Your Enrollment Manager

The enrollment manager assigned to your high school is the primary point of contact at John Carroll for you and your students. Your enrollment manager makes admission decisions, recommends students for merit scholarships, reviews student FAFSAs for need-based aid, and helps families with the final enrollment decision.

## Scholarships and Aid

Students are evaluated for merit scholarships at the time of admission. Merit awards are determined based on academic performance, curriculum, and standardized test scores. Award amounts for fall 2015 will range from \$10,000 to \$25,000 per year. Students who apply for admission by December 1 can also apply for our Arrupe (service) and Leadership scholarships. These \$5,000 competitive scholarships are awarded to 20 incoming freshmen each year. Applications are available online and must be submitted by January 15.

Families are encouraged to file the FAFSA by mid-February to potentially qualify for additional institutional grant assistance, federal or state aid, loans, and/or student employment. JCU's FAFSA code is 003050.
