INSPIRING MINDS AND TRANSFORMING LIVES

As a Jesuit Catholic university, John Carroll has inspired individuals to excel in learning, leadership, and service for 130 years. The University has served an important and transformational role for more than 42,000 students. In October 2015, we conducted a comprehensive alumni survey to learn more about the true value of a John Carroll degree.

We hear regularly from loyal and passionate graduates who share stories of how their John Carroll experience prepared them for a fulfilling professional life and financial prosperity, gave them confidence to pursue their passions and serve their communities, and equipped them with skills to lead fulfilling lives.

These stories can be yours.

We hope that the information on the following pages paints a picture of the ways our alumni live out our mission as thoughtful individuals who lead and serve by facing the challenges of the world. Behind all these statistics are stories of individuals like you. As you finalize your college choice in the weeks ahead, we hope these stories spark your imagination of all the opportunities that await you when you choose to continue your education at John Carroll.
