

# HIGH SCHOOL COUNSELOR REFERENCE 2018-2019

At John Carroll University, we offer a liberal arts education built on hundreds of years of Jesuit educational excellence. We are focused on the development of each student in mind, body, and spirit. This is reflected in our four University Learning Goals: we strive to develop intellect, character, leadership, and service in all that we do, both in and out of the classroom.

Our location in suburban Cleveland provides students the opportunity to intern with Fortune 500 companies and Big Four accounting firms, conduct research with world-class healthcare systems such as the Cleveland Clinic, perform service in our local community, and have fun in a thriving metropolitan environment.

## JCU Highlights

- John Carroll University is pleased to announce the transformation of the Boler School of Business. The new John M. and Mary Jo **Boler College of Business** builds on 73 years of excellence in business education, and expands opportunities for all students, regardless of program. Our new School of Accountancy and Information Science and School of Leadership and Social Innovation provides our students with even greater opportunities to live inspired lives. \$15 million has been committed to the project so far to help students benefit from soon-to-be renovated and reimagined facilities, including a Student Success Center, a state-of-the-art Capital Markets Lab, and the Global Business Culture and Entrepreneurship Center.
- The new major and minor in **Data Science** were created to meet an increasing demand for people who are able to understand and analyze data. Data Science provides powerful approaches for transforming complex data into information, knowledge, and intelligent decisions.
- John Carroll and the University at Buffalo School of Pharmacy and Pharmaceutical Sciences have formed a **3+4 agreement** that will provide students the opportunity to earn a doctor of pharmacy degree in a shorter amount of time. Students will complete three years of undergraduate study in the JCU chemistry program and then apply to UB's pharmacy program.

## Academics and Leadership Go Hand in Hand

We recognize that our academic curricula must be more than reputable. It must be exceptional. We are honored to have our commitment to academics validated through these national rankings — as well as through our graduates who go on to demonstrate how academics and leadership go hand in hand.

**#1** ranking in the U.S. for

“Job Readiness According to Employers” (Boler College of Business)  
— Bloomberg Businessweek

**More than 500** businesses in Northeast Ohio  
alone are owned or led by JCU alumni

**#2** ranking for “Strong Commitment to Undergraduate Teaching”  
— U.S. News & World Report, 2017

**#6** ranking for “Regional Universities: Midwest”  
— U.S. News & World Report, 2018

Named to the **“Top 10 in the Midwest”** for 29 consecutive years  
— U.S. News & World Report, 2018

## Admission Process

Students are required to submit the following items before we are able to review their application:

### 1. Common Application with essay

- It is free to apply to John Carroll.

### 2. High school transcript with Common Application School Report

- High school transcripts can be submitted through the Common Application, mailed, or faxed to 216.397.4981.

### 3. ACT and/or SAT I scores

- Scores can be sent directly from ACT (code 3282) or College Board (code 1342).
- We also will accept test scores if they appear on the official high school transcript.
- We superscore the ACT and SAT. However, we will not superscore between sittings of the old and new SAT.

### 4. Letter(s) of Recommendation

- At least one letter of recommendation is required from a teacher or counselor.

## Application Deadlines and Notification

- **December 1** - Early Action and priority scholarship deadline. All components of the application as listed above must be received by this date. Although we may begin notification earlier, anyone who meets the Early Action deadline will receive their admission decision by mid-December.
- **Post December 1** - Rolling admission. Decisions are released weekly beginning in mid-January.
- **Post February 1** - Rolling admission on a space-available basis.

## Scholarships and Aid

Students are evaluated for merit scholarships at the time of admission. Merit awards are determined based on academic performance, curriculum, and standardized test scores. Scholarships (shown to the right) are annual, renewable amounts. Students who apply for admission by December 1 can also apply for our Honors, Leadership, and Arrupe (service) scholarships. These competitive scholarships, of up to \$5,000, are selectively awarded to incoming freshmen each year. The application deadline for these scholarships is December 1, 2018, at 11:59 p.m. EST.

Families are strongly encouraged to file the FAFSA to be considered for additional institutional grant assistance, federal or state aid, loans, and/or student employment. We encourage a filing date of November 15 so students and their families can receive notification of their total JCU award as early as possible. We will continue to process FAFSA submissions throughout the spring. JCU's FAFSA code is 003050. FAFSA results have no influence on admission decisions.

We anticipate beginning to release financial aid awards in January.

## Your Enrollment Manager

The enrollment manager assigned to your high school is the primary point of contact at John Carroll for you and your students. Your enrollment manager is a member of the committee on admission, recommends students for merit scholarships, reviews student FAFSAs for need-based aid, and helps families with the final enrollment decision.

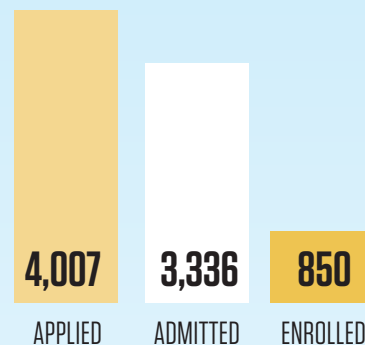

Visit [go.jcu.edu/counselors](http://go.jcu.edu/counselors) to access additional information and resources and to meet your school's enrollment manager.
