William F. O’Hearn Award for Faculty Advising

Dr. William F. O’Hearn served on the faculty of the JCU Department of Physics for four decades, retiring in 1996. As associate dean of the College of Arts and Sciences, he created the Office of Academic Advising. This award honors the memory of Dr. O’Hearn and celebrates his dedication to supporting and mentoring students at all stages of their John Carroll University education.

The Dr. William F. O’Hearn Award for Faculty Advising was established largely through the generosity of Mrs. Frances O’Hearn, wife of the late Dr. O’Hearn and mother of Dr. Margaret Finucane, JCU Associate Professor and Chair of the Tim Russert Department of Communication and Theatre Arts. The award will be given annually to a faculty member whose commitment reflects Dr. William O’Hearn’s vision of academic advising
