

# Nordson **BUILDS**

## Scholarship Program

The Nordson BUILDS Scholarship Program provides a unique opportunity to eligible students to receive scholarship dollars, potential internships, and the chance for employment after graduation!

### Are you...

- Majoring in: Engineering (Electrical, Mechanical, Industrial, or Software), Engineering Technology, Information Technology, Machining, Manufacturing Operations, Supply Chain Management, Marketing, Accounting, Finance, Industrial Management, Information Technology, or an engineering-related STEM discipline leading to a career in industry?
- Interested in a career in the manufacturing industry and corporate America?
- A high school senior in good academic standing or attending an accredited public or private not-for-profit postsecondary institution (At least 3.0 cumulative GPA bachelor's degree seeking, at least 2.7 cumulative GPA for associates degree and certificate seeking students)?
- Attending college or living near a Nordson facility?

**If yes, you are eligible to apply for a Nordson BUILDS Scholarship!**

**DEADLINE: May 15**

**\*Apply Today!\***

Early applications, received by April 1, will be entered for a chance to win an iPad Air 2!\*

The average yearly scholarship award is nearly \$4,000, with the potential for awards up to \$10,000. Over 100 scholarships were awarded last academic year and even more will be awarded this year.

For an application, list of Nordson locations or more information, visit
