MARLON ROBERTSON
Berea, OH

KALEIGH WAGNER
Broadview Hts, OH

This fall, the Arrupe Scholars Program welcomed 22 new students to John Carroll University. The class of 2018 comes to us from places both near (Broadview Heights, Ohio) and far (Giza, Egypt). They have begun their academic studies at JCU by taking two social justice oriented courses as a cohort. This semester, Donald Modica is teaching our Arrupe Scholars section of Composition and Rhetoric (EN 111). In this class, Arrupe Scholars practice college-level writing while thinking about social justice issues. Additionally, our students are enrolled in a 1-credit Introduction to Social Action course (AR 150A) with Lisa Brown Cornelius and Michelle Millet. AR 150A introduces students to the writings of Pedro Arrupe, hones their understanding of advocacy, and helps them to process the service work they are doing in our local community. Members of the class of 2018 have chosen to give their time and energy to a wide variety of community partners. They are tutoring Cleveland elementary school students, mentoring local teens, providing citizenship test prep for recent refugees, assisting persons with special needs, and socializing with residents at local nursing homes. Needless to say, members of the Arrupe Scholars class of 2018 are learning a great deal from both their academic studies and their work in the community. When you see a member of the class of 2018 on campus, please join me in both welcoming them to John Carroll University and congratulating them on the hard work they have already done during their first few weeks of college life.

FROM THE DIRECTOR

- MALIA MCANDREW, DIRECTOR

CLEVELAND NEIGHBORHOOD PROJECT

8/28/14

On the Thursday before the semester began, all of the Arrupe freshmen spent the day weeding, painting, cleaning, and mulching for the Fatima Family Center, the Oak Leadership Institute, and 38 homes in Cleveland's Hough neighborhood, as part of JCU's "Living the Mission Day." In addition, many Arrupe upperclassmen served as team leaders for the day—they helped scope out the projects, pack supplies, and facilitate reflection activities. Thank you to our students and staff for their hard work!

FOOTPRINTS FOR FATIMA

9/27/14

During Homecoming Weekend, we hosted our 12th Annual

Footprints for Fatima 5K Race and 1 Mile Walk. Not only did we have a beautiful day for the race, but we also had our largest turnout ever! We raised over \$6,500 for our Fatima Food Drive!

COMMUNITY COOKOUT

9/5/14

We kicked off the Fall 2014 semester with a Friday night cookout, complete with icebreakers and kickball. Divided into teams of blue, gray, red,

and green, the Arrupe Scholars welcomed the freshmen into our program with a fun night of group bonding. Congratulations to the red team for taking home the kickball trophy!

LEADERSHIP DAY

9/14/14

On a Sunday in the middle of September, we traveled to the Jesuit Retreat House in Parma, OH for a full day of reflection, team building, and goal setting. At the end of the retreat, we commissioned our students in the words of St. Ignatius of Loyola, instructing them to "go forth and set the world on fire!"

"Leadership Day was a lot of fun and it really helped me reflect on my life and my past and future choices."

- ARRUPE SCHOLAR '18

"Senior talks were a great way for me to be forced to verbalize my thoughts and to share them with others. I felt that this truly helped me to personally develop a deeper sense of understanding who I am and in the process, I hope that I was able to help other students."
