

Learning Goals for the Art History Program

Students will

1. Recognize and understand major artists and monuments of world art, and be able to identify the characteristics and distinguishing features of works of art and architecture in their historical and cultural settings. They will learn to make comparisons across cultures and time periods, leading to an understanding of art and culture within a global context.
2. Demonstrate a knowledge of vocabulary specific to the visual arts and develop a proficiency in visual literacy that will prepare them for graduate study and/or careers in the visual arts, architecture, the media, and related fields.
3. Engage with the curatorial and institutional dimensions of art collections and exhibitions by studying at local cultural institutions, including the Cleveland Museum of Art and the Cleveland Museum of Contemporary Art.
4. Be able to locate, interpret, and analyze primary and secondary sources relevant to solving research problems in the visual arts.
5. Recognize, understand, and apply critical, theoretical, and methodological approaches to the history of representation understood within broader socio-cultural and interdisciplinary perspectives.
