

Program Learning Goals

Students who complete the program will

1. Describe, explain, analyze, and reflect upon the complex and systematic nature of peace building, justice, and human rights;
2. Ascertain and understand those situations where the ideals of peace, justice, and human rights are not attained (including both domestic and global situations and including causes, consequences, and solutions);
3. Articulate a world view that leads to concern for and on behalf of those who suffer from conflict, injustice and/or human rights violations;
4. Demonstrate increased levels of engagement (both on and off campus) with issues related to peace, justice, and human rights; and
5. Demonstrate continued levels of engagement in peace, justice, and human rights issues after graduation from JCU
