

Congratulations to the **BEAUDRY AWARD** finalists!

Hilary Froelich

Hilary Froelich is the daughter of Mike and Jennifer Froelich from Sylvania, OH. She is an English Literature major with a Professional Writing Minor. To continue her commitment to service, Froelich will be doing a year of post-grad faith-based service, which will allow her to serve many people and also continue the John Carroll Mission of being a “woman for others.”

Leadership Activities

During her four years at John Carroll, she was grateful to have many opportunities for leadership. Her involvement with the Christian Life Communities (CLC) began her freshman year when she joined the Leadership Board. She has continued her work and dedication to CLC by becoming President this year. Due to changes in CLC staff positions, she assumed the role of supporting the CLC intern and assisted in making this a smooth transition. As president, she assists in planning and leading the Leader’s Meetings each week and makes sure that each of the three committees stays on task in order to produce events for the entire CLC community. A few of her other favorite roles on campus have been being a Campus Ministry Community Day leader for three years, Immersion Student Coordinator, and being on Team for Manresa 25.

Commitment to Christian Values

John Carroll has allowed Hilary’s faith to become the most prominent part of her identity. She has attended almost every retreat offered at John Carroll, including Guidance, the 8-Day Silent Retreat, and Manresa. She has been blessed to be a member of the leader team for Manresa 25 this semester. Hilary can also be found at every 6pm, and sometimes the 10pm, mass as a cantor, which allows her to connect to her faith even more through song. She has been a member of a CLC group for all four years, making connections with others who enjoy faith discussion as much as she does. She is excited to continue expanding her faith this summer at the Campus Ministry Leadership Institute being held at John Carroll where she will be a member of the Leadership Team.

Academic Achievement

In her time at John Carroll, Hilary has taken her studies very seriously. She is an English Literature Major with a Minor in Professional Writing. Froelich has been on the Dean’s List 6 out of her 7 completed semesters and she is a member of Sigma Tau Delta, the English Honor Society. Hilary is also an Editor for the Carroll Review.

Service to the University and/or Civic Community

John Carroll has allowed Hilary to find herself through service. She was a participant on the immersion trip to Jamaica in May 2013 and was a student coordinator for the 2014 Louisville immersion. She further serves the community by taking part in the Intergenerational Choir - a singing group with Alzheimer’s patients, and participating in the Cleveland Neighborhood Project, Labre, and Through the Eyes of a Child. As a member of the John Carroll Community, Froelich serves her fellow students through her work as a consultant at the Writing Center. CLC also leads many service events on campus, which she has helped plan and facilitate.
