Please check your calendar to make sure you are available for *all* of these dates!

Please keep your responses to the following questions 2 pages max!!

1. Which Manresa Retreat did you attend?
2. List at least 3 strengths AND 3 limitations (include personal qualities, skills, talents, quirks...).
3. Reflect on your experiences with other teams, groups, clubs, class projects, etc.
What is your greatest asset as a team member?
What is the biggest challenge you encounter as a Team member?
4. In addition to co-leading a small group, every member of the Team will have a "public" leadership role – either as (a) Prayer Leader, (b) Leading a Presentation, or (c) Activities Coordinator. Of these public roles which are you most interested in and why? You are NOT committing yourself to anything yet!
5. How will you personally contribute to filling the retreat – especially getting guys to register?
6. Who or what has been a significant person or event in your faith journey?
7. Manresa Retreat Team is an experience of faith-based student leadership. What attracts you most about this opportunity?
8. How will you prioritize all of the Team responsibilities in your class/work/life schedule?
9. As you hopefully remember, Manresa Retreat is rooted in the Principle & Foundation of *The Spiritual Exercises* (aka P&F). How does the P&F resonate *with you* in your life? (We are not looking for a specific answer, just your own personal reflections.)
 - Do you have any specific questions or concerns about Manresa – the planning process or the retreat itself? (The interview will be a chance to discuss these in more depth.)
