

Do What You Are

****Who Am I & What Am I Passionate About?****

Where Am I Needed In the World?

How Do I Get There?

Your individual personality and interest assessment

What It's Used For

- » DWYA is an assessment of your individual personality type to better understand what career paths you might choose to best suit your interests and natural tendencies
- » DWYA will generate a list of careers and majors that match your personality type – online you can use it as a research engine

How to Access

- » Begin at www.jcu.edu/careercenter and click on the 'Links' tab
- » Click on the Career Exploration link
- » Scroll down and click on the 'Do What You Are' logo
- » Create an account by clicking on 'Register Here'
- » Complete the assessment
- » After you complete the assessment, call to schedule an appointment at the JCU Career Center to review your results - 216-397-4237

Best Features

- » After the initial results appointment at the Career Center, your results will be available on any computer with internet access
- » Industry and career information includes:
 - » Skills and knowledge
 - » Typical work activities
 - » Wage information
 - » Related Occupations
 - » Career video links
 - » Other related hyperlinks
