

## Observation Feedback Form: Prestudent and Student Teaching

### 1. General Information

The Observation Feedback Form (OFF) for pre-student and student teaching is sent to mentors (university supervisors, site coordinators, cooperating teachers, and mentor teachers) via SurveyMonkey. The mentors fill out the OFF three times during the pre-student teaching semester and four times during the student teaching semester. The OFF should be completed on a schedule that is provided to the mentors at the beginning of each semester. The survey is self-explanatory and provides the mentors with easy-to-follow instructions.
