

# Spanish Program in Cusco 2015

# Welcome to Universidad del Pacífico

In the past three decades, Universidad del Pacífico (UP) has been ranked as the most prestigious higher education institution in its fields of specialization in Peru. Strengthening our internationalization efforts, UP has opened an international program in Cusco to offer students the opportunity to study in a unique archaeological and historical setting, living a truly intercultural experience and obtaining academic credits.

## Spanish Program in Cusco - 2015

Universidad del Pacífico's International Program Tinkuykata, is opening its 4th Edition of the Spanish Summer Program in Cusco. The Spanish program in Cusco is for international students who are interested in learning or improving their proficiency level in Spanish in a magnificent environment considered as one of the top destinations of the world: Cusco – Macchupichu.

## Our didactic strategy

The Communicative method will be used in each of the sessions. Its features include:

- In each lesson the students are informed about the objectives to be met.
- The student is the protagonist of his/her learning process.
- Development of reading and conversation themes.
- Opportunities to practice Spanish in real life situations: visit the local market, experience the local cuisine, interact with locals, etc.
- Continuous recycling of previously acquired content.
- Provisions of a variety of patterns of interaction.
- Permanent phonetic training.
- Promotion of a pleasant environment that facilitates the student's well-being.
- Different activities in each class: oral exercises in pairs and in groups, group dynamics, role play, oral presentations, short writings, and site visits, among others.
