#### Student Services

Accommodation	On-and off- campus accommodation is available. Information on accommodation, guide on prices and applica- tion forms are available on our <u>website</u> (www.regents.ac.uk/study/undergraduate-study/accommodation). For more information contact our accommodation officer James Barnes on: Tel: + 44 207 487 7483; Email: accommodation@regents.ac.uk *** <b>Applications must be sent directly to the accommodation office</b> ***
Meal Plan	For students staying in on-campus housing, a meal allowance (£77 per week) is included in the accommodation cost, and is issued on student's ID card. This is a declining debit system and can be used to buy any item of food or non-alcoholic drink from the food outlets on campus. Students can top credit up at their own cost. The meal plan does not guarantees three meals a day; it's the student's responsibility to make the budget last. Unspent amounts cannot be carried over to the next term and cannot be refunded.
Trips and Activities	The Student Services Team works in cooperation with the Student Union. Activities and trips are offered to all students. Day and weekend trips take place within the UK, as well as in mainland Europe. The team can further advise on discounted theatre tickets and events in London.
Counselling and Disability Support	The Student Support Team provides advice on academic matters, such as difficulties with studying, periods of absence or concerns about courses. Staff in the Student Hub can help with personal issues, registering with a doctor, and practical information, such as how to get a student travel discount card. A specialised disability officer assists with any queries.
Facilities	Exchange /study abroad students have access to the same facilities as degree-seeking students such as com- puter rooms, databases, the Library and e-Journals. Regent's uses the electronic learning platform Blackboard. During breaks, students can enjoy refreshments or a meal either at the Refectory, the Brasserie, the on-campus Starbucks or the Student Bar on campus.

#### **English Language Support**

• Additional English language support is available in non-credit bearing 'English for Academic Purposes' classes throughout the term. These are free of charge.

#### Pre-Term English language classes

• English language classes are available before the beginning of each term at Regent's School of Languages and Culture. For more information and course prices please see visit our <u>website</u> (www.regents.ac.uk/about/schools/regents-institute-of-languages-culture)

Modules must be approved by the home institution before module choice forms are submitted. We strongly suggest that all students and advisors read the syllabi carefully. Changes at a later stage are not possible.
