### Student Participation Agreement for <<<PROGRAM NAME>>>

I \_\_\_\_\_ plan to travel abroad with the <<<PROGRAM NAME>>> during the (Fall/Spring) \_\_\_\_\_ Semester. I understand that preparations for this program start immediately and John Carroll University will need to book flights and accommodations on my behalf. I acknowledge these charges are my responsibility based upon my commitment to participate in the program and agree to have any unpaid costs associated with the program preparation added to my student account. I understand that some charges made in preparation are non-refundable and will still be my responsibility should I decide not to or be unable to participate in this program.
