PRACTICUM/INTERNSHIP SITE DIRECTORY

Revised 1/11

Please note: When arranging for your personal, face-to-face interview, we recommend that you confirm the agency street address and suite number before your appointment and bring a resume.

Advanced Psychotherapy Services

28916 Euclid Ave.
Wickliffe, OH 44092-2531

Contact Person: Gary Echt, PCC-S (440) 944-6565

Treatment of adult sexual offenders and significant others.

Alternative Paths, Inc.

246 Northland Dr
Medina, OH 44256

Contact Person: Chadwick Sunday, LPCC (330) 725-9195

An exciting and challenging internship opportunity is available to qualified and interested candidates! The selected intern will work with the Emergency Services Team. Medina County is the fourth fastest growing county out of eight-eight in Ohio. The crisis team provides lethality and risk assessments at Alternative Path's office and at three local hospitals in Medina County. The intern position would have the opportunity to work with an eclectic team of clinicians dealing with crisis and psychiatric emergencies. The intern will have a dynamic opportunity to observe and develop skills in the diagnosis and treatment of mental and emotional disorders with clients in crisis and psychiatric emergencies.

Bellefaire JCB Mission:

Bellefaire JCB is an innovative organization that provides exceptional care and advocacy to enhance the emotional, physical and intellectual well being of children, young adults, and families in the Jewish and general communities. In addition to providing direct services, Bellefaire JCB is committed to: 1) remaining on the forefront of the youth service and child caring fields 2) responding to emerging needs and 3) building knowledge which contributes to service to children, youth and their families. Bellefaire JCB provides its services without regard to race, religion, sex or national origin, and encourages all clients to develop positive identification with their religious and ethnic backgrounds.

Internships at Bellefaire JCB

Bellefaire JCB offers many internship opportunities to students in the Masters Program in Counseling at JCU. Bellefaire is conveniently located next to JCU. Our internships are supervised by licensed professionals who carry a wealth of knowledge and experience to share with the student.

Areas of learning opportunities include: clinical, individual therapy, group therapy, diagnosis, assessments, prevention, treatment, case management etc. Clients range in ages (mostly up to age 21) depending on the program.

Programs providing internships in these areas include:

Adoption - Acting on behalf of children to help create permanency in their lives.

Foster Care - Providing children safe, homes through preparation and support.

Independent Living - Providing support and education to youth.

School Based Services - Treating clients in the schools, and after school in the **After School Program**.

In-Home Services - Treating clients at home including substance abuse, early start, and integrated treatment etc.

Residential Treatment –Three levels of care including intensive, intermediate, and transitional.

Community Counseling in Lorain Ohio – providing case management, wraparound, in-home, school, or outpatient counseling in our Lorain Ohio location.

(440) 260-8375

Prospective students should call Central Intake at 440-260-8300 to request an application for Masters level counseling Internships. (Dr. Britton also has copies of the applications). As part of the application process, the student is required to choose his/her preference of two tracts:

1. Community Mental Health: Interns will provide mental health, child welfare and/or juvenile justice services to children and adolescents in their home or school settings. The goal of these services is to positively impact client's mental health symptoms and increase his/her family support. Services are community based and can be offered in an intensive manner. Afternoon and evening availability is required. Maybe at Berea or Downtown offices.

2. Outpatient Mental Health: Interns will provide mental health counseling services to children, adolescents and adults in an outpatient office setting. Afternoon and evening availability is required. Work will take place mainly at the Berea office.

Also, there are several prac/internship slots available in the Residential Treatment Facility. This site located at Berea Children's Home in Berea and is a Partial Hospitalization group program (PHP).
