Dear Student:

Welcome to the beginning of your Practicum and Internship, the clinical experience component of your counselor training. Now is your opportunity to put formal knowledge into practice within the field.

This handbook is designed to provide comprehensive information that will assist you in completing the Practicum and Internship experience required for the completion of your degree program. We encourage you to become thoroughly familiar with its contents, much of which is designed to meet state and national licensure requirements.

We suggest that you set aside a minimum of one hour to read the information, to understand the process, and to grasp the minimal standards needed to have a successful Practicum and Internship experience.

While reading this handbook, direct close attention to italicized and boldfaced portions of this handbook. Sections bolded, italicized, or underlined will help clarify common confusing points and commonly asked questions. If you are utilizing the computer version of this handbook, note the blue words that are underlined as these links will take you directly to that section of the handbook. Place your cursor over these words, hold the “Control” key, and left-click the mouse.

This is a time to consider and work with your professor as both a mentor and peer. During the Practicum and Internship experience, the mutual development and learning which occurs between faculty and student is intensified. We look forward to learning a great deal from you during this time and thank you in advance for allowing us to join you in this part of your educational journey.

You have worked hard to reach this point. Enjoy the process. Remember you are here to lead and to serve others. May this be a life-giving time for you and your clients.

Sincerely,

Faculty members of the John Carroll University Clinical Mental Health Counseling Program
INTRODUCTION

Definitions

In order to promote a clear understanding of the meanings intended in this handbook, a number of specific terms are defined.

**Practicum Student**—A student in training who is enrolled in a specific practicum course. The practicum course is an entry-level experience, less intensive than the internship course.

**Intern**—A student in training who is enrolled in a specific internship course. By previously completing the academic and experiential requirements of the practicum course, this student has satisfied the prerequisites necessary to enroll in the internship component of the program.

**Counselor Trainee (CT)**—This is the official term used to describe both Practicum and Internship students by The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board (CSWMFT). It describes an individual who is seeking licensure as a professional counselor and who is currently enrolled in either Practicum or Internship within a counselor education program and registered with The Ohio CSWMFT Board. This term should be utilized by both practicum students and interns, to designate—properly and legally—a training status within the profession.

**Practicum/Internship Site**—This is the location where the practicum/internship experience occurs. This site must meet John Carroll University training program standards for the practicum/internship experience. This site **MUST** be a clinical site, involving the diagnosis and treatment of mental and emotional disorders and conditions. A significant portion of the practicum/internship experience must involve direct client contact. See page 10 for more detail.

**Clinical Coordinator**—This individual is responsible for discussing specific requirements for the practicum/internship experience with the practicum student or intern.

Dr. Paula Britton currently occupies this position within the Counseling Program and may be reached directly at (216) 397-1710 or pbritton@jcu.edu.

**Clinical Coordinator Assistant**—This individual collects paperwork related to the practicum/internship experience prior to semester-specific deadlines, maintaining an updated file for each practicum/internship student. The Clinical Coordinator Assistant maintains a current directory of approved placement sites and oversees an information resource for counseling students that includes confidential student evaluations of many practicum/internship sites.

Rhonda Harrison currently serves as Clinical Coordinator Assistant for the Counseling Program at John Carroll University. Rhonda’s office (AD 315) is located on the third floor of the Administration Building. Rhonda may be reached at (216) 397-4389.
**Practicum Instructor or Internship Instructor**—This individual instructs a bi-weekly course, during which individual student progress is monitored and individual case studies are presented. In this way, group supervision of students is provided. In some instances, instructors may provide student supervision on an individual basis. Initially, instructors receive information regarding the status of site placements for each enrolled student from the Clinical Coordinator Assistant. The instructor maintains communication with on-site supervisors as indicated, making on-site visits. Any dialogue regarding significant problems occurring on-site will be initiated with the assistance of this instructor. At the conclusion of the internship experience, the instructor secures confidential site evaluations from students, delivers these site evaluations to the Clinical Coordinator Assistant, and assigns final (Pass/Fail) grades.

**John Carroll University Practicum Supervisor**—This individual meets with practicum students on a weekly basis, providing personalized supervision and a weekly review of specific on-site cases encountered by the practicum student. Supervision includes discussions of the student’s experiences, review of audio or video recordings, and evaluation of performance.

Utilized during the practicum experience only, this supervisor is typically a John Carroll University faculty member or a doctoral student working under the supervision of John Carroll University faculty.

**Practicum/Internship Site Supervisor**—This individual is a clearly designated, appropriately licensed (PCC) with supervision designation and a professional staff member at the practicum or internship site who is directly responsible for providing systematic, intensive supervision of the student's professional training activities and performance. The Practicum/Internship Site Supervisor must meet requirements defined by The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. Specifically, site supervisors must provide clinical experiences *(involving the diagnosis and treatment of emotional and mental disorders and conditions)* in accordance with guidelines that include at least 1 hour of individual supervision for every 20 on-site hours that the student works.

**State of Ohio Counselor, Social Worker, and Marriage and Family Board**
This is our state’s licensing board. The board must approve all placements and provide counselor trainee status to students. No student can practice in a placement without Counselor Trainee status. It is HIGHLY recommended that you familiarize yourself with the Board website, as you will be utilizing it extensively during practicum and internship. Contact information is listed below:

Suggested Competencies for Practicum and Internship

The following competencies should provide a foundation for the student's practicum/internship experience. This list is not intended to be comprehensive. Specific sites may emphasize particular competencies over others.

1. **Interviewing**
   —The development of skills necessary in the interview process, including obtaining a psychosocial history and individual report writing.

Specific interviewing competencies:

- Ability to utilize interviewing skills such as observing, listening, interpreting and rapport-building.
- Ability to utilize gathering of psychosocial history to elicit pertinent information such as problem history, family and work history, medical history, substance abuse indicators, and accurate referral sources.
- Ability to ascertain present mental status and make preliminary diagnosis.
- Ability to write formal intake assessment reports.
- Ability to make tentative recommendations based upon the interview.

2. **Evaluation and Diagnosis**
   —The development of skills necessary in the clinical assessment process, including the effective use of measurement instruments and the DSM IV-TR.

Specific evaluation and diagnosis competencies:

- Ability to familiarize oneself with more frequently utilized evaluation instruments such as intelligence scales, achievement scales, aptitude scales, anxiety scales, and personality inventories and the ability to interpret and relate these instruments to diagnosis and treatment plans.
- Ability to differentiate between various diagnostic classifications (psychosis versus personality disorder, etc.) and the ability to classify disorders according to the DSM IV.
- Ability to summarize findings and recommendations in formal reports.

3. **Treatment**
   —The planning, implementation, and termination of individual counseling, family
counseling, and group counseling, utilizing various treatment modalities.

Specific treatment competencies:

- Ability to successfully engage in individual therapy utilizing definable treatment modalities. Ability to effectively utilize basic counseling skills such as listening, reflecting, reality testing, and interpretation. Ability to determine time frames and methods necessary for appropriately terminated therapy.

- Ability to engage or assist in family counseling utilizing counseling skills such as listening, reflecting, reality testing, and interpretation. Ability to utilize other skills pertinent to family therapy such as goal setting, addressing of needs of individual family members, interpreting family interaction patterns, and interpreting dysfunctional family behavioral patterns.

- Ability to lead group therapy utilizing definable treatment modalities. Ability to apply basic counseling skills such as listening, reflecting, reality testing, and interpretation to the process of group therapy.

- Ability to engage in substance abuse treatment when feasible. Ability to gain at least minimal knowledge of such treatment through visitation to substance abuse agencies or through participation in related training programs. Ability to identify symptoms of substance abuse, to become knowledgeable regarding appropriate treatment modalities, and to understand the impact of substance abuse on family relationships.

- Ability to design treatment plans and ability to write formal case reports.

- Ability to provide treatment to diverse clinical populations.

4. Case Management
—The coordination of interrelated services—both within an agency and with supportive agencies—concerning a client and the development of client case reports.

Specific case management competencies:

- Knowledge of goals, purpose and functioning of each department and program within the agency. Knowledge of philosophy and policies of the agency.

- Knowledge of commonly utilized referral agencies and services and an understanding of the procedures involved in appropriate referral.

- Ability to manage or assist in management of individual cases, which include factors such as discharge planning, appropriate housing, vocational planning and referral services.

- Ability to engage in process of record-keeping and preparation of case reports.

- Ability to advocate for the client during the coordination of client services.
5. Agency Administration and Professional Behavior
—The administrative structure of the agency, internal committees of the agency, philosophy of the agency, and professional, ethical, and legal considerations within the agency.

Specific agency administration and professional behavior competencies:

- Knowledge of the administrative and operative structure of the agency, including line-staff assignments, funding sources and operational policies.
- Knowledge of composition of the internal agency structure, internal committee communication processes and committee assignments and responsibilities.
- Understanding of and ability to utilize agency resources such as records, psychological and psychiatric consultations, or library and other related information sources.
- Knowledge of and adherence to professional standards and quality assurance policies of the agency, including policies regarding the client-counselor relationship, record keeping, referral consultation and the peer review process.
- Knowledge of and adherence to professional ethics and legal responsibilities, in accordance with standards of local, state, and national professional associations—particularly those of the American Counseling Association.
- Knowledge of and adherence to state licensure laws as defined by The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board.
General Information: Practicum/Internship Experience

This section will cover:
1. Selecting Practicum/Internship Placement Sites
2. Student Liability Insurance
3. Background Check and Fingerprinting
4. Audio-recording Procedures
5. Policy on Practicum/Internship Approval
6. Policy on Dismissal from Practicum/Internship

1. Selecting Practicum/Internship Placement Sites

Consideration should be given to selecting sites that offer opportunities for students to engage in both individual counseling and group work. All potential sites must be clinical sites and registered with The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. The site must include the diagnosis and treatment of emotional and mental disorders and conditions. All practicum/internship sites should provide students with opportunities to counsel clients representative of the essential demographic diversity exhibited within that student’s community. Direct client contact is an essential component of every site as the practicum/internship experience involves an expected amount of direct client contact hours.

This site must also provide the practicum student or intern with opportunities to perform, under appropriate supervision, all activities that a regularly employed staff member (occupying the professional role to which the practicum student or intern aspires to be) is expected to perform. These activities must be within the scope of counselor training, as defined by The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. All sites must be approved by John Carroll University and registered with The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. The practicum and internship experiences are typically completed at the same location and transpire over the span of three consecutive semesters. These semesters represent the minimal amount of time necessary to complete the practicum/internship experience. In some cases, additional time may be indicated. Internship hours may NOT be collected during the Practicum course.

Please note that the Practicum/Internship Site Supervisor must meet the following criteria in order to supervise students. This supervisor must make appropriate provisions for the student’s orientation to the practicum or internship site (procedures for assigning clients, emergency procedures, site-specific limits to confidentiality, etc.), providing on-site student working space. Student goals are developed with the assistance of this supervisor, who maintains responsibility for on-site continuity throughout the practicum/internship experience. This supervisor assists in the evaluation of student performance relative to the stated objectives of the practicum/internship experience, by completing various forms that will be explained in the practicum syllabus.
Though all practicum and internship placements should be initially discussed with the Clinical Coordinator, *the responsibility to secure a placement lies entirely with the student*. A directory of approved placement sites is available through the Clinical Coordinator Assistant or through the Community Counseling office (AD 315). Students may request sites not included in this directory, but these requests must be made with the cooperation of the Clinical Coordinator. In the case of previously unapproved sites, some initial site screening may be required. *In some cases, it may be possible for a student to utilize his/her present work site for the practicum/internship experience. However, this possibility is dependent upon specific work tasks encountered at the site in question. Any placement of this nature must be approved by The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board and the JCU Clinical Coordinator.*

The practicum/internship experience may be paid or unpaid. Specific sites should be contacted directly regarding remuneration policies for practicum students and interns. *It is recommended that students leave adequate time for the set-up of the practicum/internship site as some sites may require a lengthy interview and assignment process.* The average amount of time to allot is 6 months from start to finish.

An important reference for students seeking appropriate practicum or internship sites is available through the Clinical Coordinator Assistant, who maintains a notebook containing student evaluations of various sites. *This information is provided solely for the use of John Carroll University graduate students in the Community Counseling Program. This information is not provided to the general public under any circumstances.* In the past, this information has proven helpful to counseling students who seek to match personal interests with approved practicum or internship sites.

## 2. Student Liability Insurance

Practicum and internship students are required to purchase liability insurance required for coverage during the entire practicum/internship experience. Students should obtain a personally held policy, even if coverage is provided by their employer.

The American Counseling Association offers an affordable student rate for this insurance. Students are advised to choose the $1,000,000—$3,000,000 coverage. The ACA Insurance Trust, Inc. (ACAIT) has partnered with Healthcare Providers Service Organization (HPSO) to provide a comprehensive professional liability program for students.

Students interested in obtaining liability insurance through this program, should call ACAIT for an application (1-800-347-6647 extension 284) or apply online by visiting the website: [www.hpso.com](http://www.hpso.com). If students do not want to apply by credit card, send address or fax number to have an application sent via mail to:
Once liability insurance is obtained, a copy of the student policy should be provided to Rhonda Harrison (AD 310), Clinical Coordinator Assistant, for inclusion in the student practicum/internship file.

Please Note: The American Counseling Association is offering FREE liability insurance for students who are members of ACA and in a Master’s Level counseling program. See www.counseling.org/students for more details or call 1-800-347-6647 ext. 284.

3. Background Check and Fingerprinting

You must complete a criminal records check for both the BCI & FBI in order for your CT Application to be processed by the Ohio Board. The Criminal Records Check can take 2-4 weeks to process. All backgrounds MUST be done through an approved vendor through “WebCheck.” After Board receipt of your background check, with a written request, the board may mail you a copy of your BCI & FBI reports for your future use. There are fees involved, all results from the background checks must be mailed directly to the Ohio Board. They will not accept copies from students.

Print the BCI & FBI INSTRUCTIONS sheet from: http://cswmft.ohio.gov/pdfs/CRC0308.pdf or see Appendix A.

Take this form with you to a Sheriff or Police Department. See Appendix A for the step-by-step process of completing the background check and to find an approved location “WebCheck” vendor for completing your background check. BCI and FBI Checks are good for ONE year.

4. Recording/Taping Procedures

Both practicum and internship students are required to audio or video tape a specific number of counseling sessions during the practicum/internship experience. If audiotapes are utilized, these tapes must be audible. These counseling sessions must not be intake sessions, but instead should be either individual or group counseling sessions during which the student serves as either counselor or co-facilitator. Taping of these sessions must be approved by the involved clients. Consent forms for this purpose are included within this handbook (See Appendix B). These forms need to be signed by clients themselves or by a client's parents, should the client be a minor. Individual practicum or internship sites may have their own consent forms, which students should use accordingly. If sites do not have their own forms, the consent forms included in this handbook may be used, with Site Supervisor approval. Tapes shall be erased after
supervision is complete and all tapes should be erased at the completion of the course.

**Policy on Practicum/Internship Approval**

The Clinical Mental Health Counseling Program at John Carroll University has adopted a policy that serves as the guideline for University approval of practicum/internship placements. The policy statement reads as follows:

“In each instance within the Master’s Degree in Community Counseling, the practicum/internship placement is subject to University approval. The University will not approve practicum/internship placements in situations or settings that violate human rights, demean human dignity, or operate according to principles directly opposed to those for which the University as a Catholic institution must stand. “

**Policy on Dismissal from Practicum/Internship**

Program faculty retain the right and responsibility to review at any time any circumstance or behaviors by a student that could affect the student’s status in the practicum/internship experience. Faculty also maintain the right to, at any time, review competencies for individual professional practice that may impact whether a student should continue in the clinical experience. Faculty has the right and responsibly to review students whose demeanor or behaviors might threaten the welfare or well-being of a client. Following are offered as examples of circumstances or performances that may be the basis for dismissal from practicum/internship:

1. Academic misconduct or dishonesty
2. Criminal conviction/felony
3. Failure to comply with established university or program timetables and requirements
4. Unethical or unprofessional conduct
5. Cognitive, affective, and/or behavior impairments that obstruct the training process and/or threaten the welfare of others
6. Substance abuse
Applying for the Practicum/Internship Experience

In order to apply for the Practicum/Internship experience, students will have a variety of forms to complete. First, students must complete the Practicum/Internship Registration Intent Form and Developmental Statement, reviewed and signed by your advisor, and returning this form to the Clinical Coordinator. (See Appendix A)

This form MUST be returned to the Clinical Coordinator no later than MARCH 1 for a practicum starting during the Fall semester and no later than OCTOBER 1 for a practicum start during the Spring semester. Students applying later than these dates will not be permitted to enroll in CG 592. On this form, a student must review his/her completed coursework within the Clinical Mental Health Counseling Program and list sites of interest that he/she intends to contact and investigate for potential practicum/internship placement.

- Ideally, a student should complete the required hours for both Practicum and Internship at the same site. A final practicum/internship site may be decided upon and approved following student contact with on-site personnel and confirmation of a student position by the Practicum/Internship Site Supervisor.

- Following this approval and confirmation, the student must complete the Professional Counselor Trainee Initial Application Form and other Ohio Board application forms. This form is included in this handbook but also can be found as a PDF file on the board’s website www.cswmft.ohio.gov, under the “Forms” link. Students can apply online to The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. Keep copies of everything you send to the board.

- Attach a copy of your registration form for CG 592 or CG 596 to show proof that you are enrolled in the course. A print-out of your schedule from the JCU Banner is sufficient. Students can send it as an attachment or fax the form to (614) 728-7790. Students will receive notification of approval from the Board. Upon receiving the approval form from the Board, students should make copies and turn it in to their Practicum Instructor and their Site Supervisor. PLEASE NOTE DATES for which CT status has been approved.

- Submit proof of CT status approval from the Board. This can be a copy of a confirmation email from the Board, or you can print your CT status approval online on the Board website.

- The student must submit the following to the Clinical Coordinator Assistant:
  - Practicum/Internship Field Agreement signed by all parties
  - A copy of the Professional Counselor Trainee Initial Application Form (the original will have been sent to the Ohio Board)
  - Supervisor Qualifications Form
  - Proof of personally held liability insurance

Forms must be submitted by MAY 1 for a practicum starting during Fall semester and no
later than **DECEMBER 1** for a practicum starting during Spring semester. These deadlines are non-negotiable. Failure to submit these forms by the deadlines indicated here may result in a student being unable to enter the course. **Keep copies of all these forms.**

- At the completion of the Practicum experience, students must complete and submit to the practicum instructor the **Documentation of Practicum Hours Form and Log** signed by the student, the site supervisor, and the practicum instructor.

- Please Note: CG 592/Practicum in Community Counseling and CG 596/Internship in Community Counseling are not offered during Summer I, II, and III sessions. In some cases, these months may be utilized to accumulate or complete practicum/internship hours on-site, but required courses CG 592 and CG 596 are offered during Fall and Spring semesters only. Students will need to get permission from the board if they are extending their CT status passed the semester they are taking the CG 592 or CG 596. A letter from the Clinical Coordinator will be necessary to facilitate this process.

  - SEE THE PRACTICUM CHECKLIST ON PAGE 19 FOR A CHECKLIST AND SUMMARY OF THESE FORMS

**PLEASE NOTE:** Practicum (CG 592) CANNOT begin during Summer sessions but may start in Fall or Spring semesters. Once students have successfully completed Practicum (CG 592), Internship courses (CG 596) can be taken during Summer sessions (1 credit per session, 3 summer sessions total).

**Example Course Flow Sheet**

The Practicum Course Requirements

Included in this Section
- Scheduling Considerations
- Requirements for the Practicum Experience
- Grading of Practicum

Scheduling Considerations

Practicum (CG 592) in Clinical Mental Health Counseling should be taken only AFTER a student has completed the Helping Relationships component of the Core Academic Courses for the Community Counseling Master’s Degree (2 courses: CG 561/Counseling Theories and CG 562/Counseling Techniques).

Practicum (CG 592) should be one of the final courses completed in the Master’s Degree program. CG 592 is a prerequisite for Internship (CG 596) in Clinical Mental Health Counseling.

Requirements for the Practicum Experience

The practicum experience requires
- A total of 100 clock hours on-site
- A minimum of 40 hours of direct service with clients
- A minimum of one hour per week of supervision with the student’s John Carroll University Practicum Supervisor.
- All hours in relation to CG 592 coursework should be recorded on the Practicum Log included in this handbook or on a similar form of the student or site’s own design. (See Appendix B)

The completed log form will be presented to the Practicum Instructor at the conclusion of the semester. CG592 class meets for 2 ½ hours bi-weekly, with the student required to present cases (including portions of audio or video-taped material) to the class. In this way, the student will gain expertise in the locating and utilization of appropriate case consultation through fellow practitioners.

Additional details regarding requirements for the practicum

1. The minimum of 40 direct service client contact hours must include work with at least three different individual clients. It is recommended that at least 50% of direct service hours include, specifically, direct work with clients in the diagnosis and treatment of emotional and mental disorders and conditions. These sessions must be either audio or video taped in accordance with course supervision requirements.
2. Each student must meet individually with a John Carroll University Practicum Supervisor for at least one hour per week. **Over the course of the semester, the student must play a minimum of ten recordings (audio or video) for the Practicum Supervisor** (both individual and/or group counseling sessions may be recorded for this purpose, with client permission). Discussion of these recordings should include a focus on student clarification and investigation of particular aspects of client counseling. Understanding the client, developing rapport with the client, defining the client’s problem, enhancing counseling skills within the context of the counseling session, and developing treatment plans are all relevant examples of potential supervisor/student discussion. Tape review forms should be filled out by the student and the Practicum Supervisor.

3. The practicum course incorporates two types of supervision—

   - Individual Supervision through the John Carroll University Practicum Supervisor.
   - Group Supervision through bi-weekly class meetings with the Practicum Instructor. The student will complete a formal evaluation of the John Carroll Practicum Supervisor at the conclusion of the practicum course.

4. The practicum experience requires the development of specific objectives by the student and the demonstration of behavior in accordance with the ethical and professional standards delineated in the American Counseling Association Code of Ethics and Standards of Practice.

5. Additional assignments—including student self-evaluations, John Carroll University Practicum Supervisor evaluations, and site supervisors evaluations of student progress—will be addressed at the outset of the practicum course and detailed on the course syllabus. Over the course of the semester, students may be required to complete administrative duties such as listening to taped counseling sessions, researching particular client populations in order to prepare for counseling sessions, or other related paperwork.

6. Also, at the completion of the course, students will be turn in four evaluations. The form **Professional Performance Fitness Evaluation** should be completed by:

   - John Carroll University Practicum Supervisor
   - Practicum Site Supervisor
   - By the Student him/her self
   - Practicum Instructor

7. At the completion of the course, students must also submit the **Documentation of Hours** and return the form and log to the Practicum Instructor.

**Practicum Grading**

**Pass/Fail grades** are assigned by the Practicum Instructor. If the Practicum Instructor or the Site
Supervisor have concerns regarding a student's progress, the Practicum Instructor will meet with the student and the Site Supervisor during the course of the semester to determine an appropriate course of action. The Practicum Instructor retains the right to administer an "in process" grade for the student, which may stand until the student's performance is deemed satisfactory and deserving of a passing grade. Students will need to extend their CT status under these circumstances.
☐ Checklist for Practicum Start

The following pages contain forms that you will need to complete during the course of your practicum experience. Please make additional copies as needed. These forms will be explained more fully in your Practicum Course Syllabus.

It is your responsibility to fill the forms out and give them to the appropriate person(s).

Please read these forms carefully. If necessary, make multiple copies of these forms. Please print legibly or type responses.

Forms for use during the practicum experience:

☐ **Activity Report** (Appendix B) Use for weekly reflection on your practicum experience. Use with Personal Analysis Log.

☐ **Practicum Log** (Appendix B) Use for logging of all Practicum hours to fulfill Practicum hour requirements. *Students may use the form in this handbook or may create a new form as long as it contains all the same information.*

☐ **Client Consent Form** for audio-recording of sessions (Appendix B)

☐ **Parental Consent Form** for audio-recording (only for clients under the age of 18) (Appendix B)

Forms to complete AFTER the practicum experience:

☐ **Practicum Completion Form** (Appendix C)

☐ **Professional Performance Fitness Evaluation** (Appendix C)

☐ **University Practicum Supervisor Evaluation** (Appendix C)
The Internship Course Requirements

Included in this Section

- Scheduling Considerations
- Requirements for the Internship Experience
- Grading of Internship

Scheduling Considerations

The internship is designed to be an intensive hands-on experience conducted in a setting similar to one in which the student will eventually find employment. The internship experience should incorporate qualities specific to professional counseling positions, with consistent and extensive supervision. CG 596/Internship in Clinical Mental Health Counseling should be taken only after a student has successfully completed CG 592/Practicum in Clinical Mental Health Counseling and its related prerequisites. Internship is divided among two semesters.

CG 596/Internship in Clinical Mental Health Counseling should be one of the final courses completed in the Master’s Degree program. Prior to registering for CG 596, students are required to obtain a passing grade on the Master's Comprehensive Examination (Counselor Preparation Comprehensive Examination—CPCE) that is offered twice yearly by the Clinical Mental Health Counseling Program. Students must obtain permission from their departmental faculty advisor prior to registering for CG 596.

Typically, the internship course is completed during a time period coinciding with a majority of the required internship on-site hours.

Requirements for the Internship Experience

The internship experience program requires a total of

- Two semesters, CG 596A and CG 596 B
- 600 clock hours on-site
- A minimum of 240 hours of direct service with clients including a minimum of 10 hours of direct service with group work.
- A minimum of one hour of direct supervision with the Internship Site Supervisor for every 20 hours on-site (equating to a total of 30 hours of direct supervision over the course of the semester).

During the internship, the Internship Site Supervisor subsumes the weekly supervisory role previously filled by the John Carroll University Practicum Supervisor during the student’s practicum experience. All hours in relation to CG 596 coursework should be recorded either on the Internship Log included in this handbook or on a similar form of the student or site’s own design. (See Appendix E)
CG 596 class meets for 2 ½ hours bi-weekly, with students required to present cases (including portions of audio or video taped material) to the class. In this way, the student will gain further expertise in the locating and utilization of appropriate case consultation through fellow practitioners. The internship experience provides opportunities for students to gain supervised experience in the use of a variety of professional resources that include print and non-print media, professional literature, research findings, and appropriate referral sources and providers. Additional details regarding requirements for the internship experience are as follows:

1. **It is recommended that at least 50% of the 240 direct service hours include, specifically, direct work with clients in the diagnosis and treatment of emotional and mental disorders and conditions.** On occasion, these sessions may be audio or video taped as a necessary component of case presentations required for the CG 596 class. Though there is no required minimum regarding taping for the CG 596 course, audio or video tapes remain an important aspect of the overall student evaluation. Lack of a minimum taping requirement reflects the previously mentioned on-site supervision emphasis of the internship experience.

2. The internship course incorporates two types of supervision…
   - Individual Supervision through the Internship Site Supervisor
   - Group Supervision through bi-weekly class meetings with the Internship Instructor. The Site Supervisor will complete two types of formal evaluation of the intern following the completion of the required 600 on-site hours.

3. The internship experience requires the development of specific objectives by the student and the demonstration of behavior in accordance with the ethical and professional standards delineated in the American Counseling Association Code of Ethics and Standards of Practice.

4. Additional assignments will be addressed at the outset of the internship course and detailed on the course syllabus. By design, CG 596 is focused on the on-site component of the experience, as direct supervision is experienced on-site and the expectation of an increased number of hours spent on-site becomes clear.

5. At the completion of the internship course CG 596B, the student’s Practicum/Internship Site Supervisor must complete two formal evaluations.
   - The JCU Site Supervisor Evaluation of Counselor Trainee form (See Appendix F). This evaluation is turned in to the Internship Instructor and a copy is kept in a student’s permanent file. It is designed to include an opportunity for the intern and Site Supervisor to formally consult regarding the student's performance during the internship. A student within the Clinical Mental Health Counseling program CANNOT get a grade in internship or graduate without a completed copy of this form included in his/her permanent file.
   - The Internship Supervisor Evaluation Rating Form (See Appendix F). Note that the
The student must sign a waiver of liability and give the form to his/her registered supervisor. The supervisor fills out the form and puts it in a **business size envelope, signs across the seal** and returns it to the student. This form can also be found on the board’s website at [www.cswmft.ohio.gov](http://www.cswmft.ohio.gov) and filled out as a PDF file. It is the student’s responsibility to send this form directly to The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board, to be filed with the Board within 30 days of the completion of all required on-site internship hours (including the minimum 240 hours of direct client contact). Students cannot get licensed without this form on file.

6. **Documentation of Hours Form** and **Log** signed by the student, the Site Supervisor and the Internship Instructor and finally submitted to the Internship Instructor.

7. Complete and submit the **Program Evaluation** to the Internship Instructor.

8. Additional **Statistical Information Forms** which will be explained in class.

**All Forms can be found in the **Appendix F**

**Internship Grading**

**Pass/Fail grades** are assigned by the Internship Instructor. If the Internship Instructor or the Site Supervisor has concerns regarding a student’s progress, the Internship Instructor will meet with the student and the Site Supervisor during the course of the semester, to determine an appropriate course of action. The Internship Instructor retains the right to administer an "in process" grade for the student, which may stand until the student's performance is deemed satisfactory and deserving of a passing grade. Students who have not completed 600 on-site hours by the end of the semester in question will receive an "in process" grade until they complete the requirements for the internship. They will need to extend their CT status with the board which will require a letter from the Clinical Coordinator.
☑ Checklist for Internship Start

☐ Complete and successfully pass the Master's Comprehensive Examination (Counselor Preparation Comprehensive Examination — CPCE). This is offered twice year by JCU, both in the Fall and Spring semesters.

☐ Register in Banner for CG 596 A/Internship in Community Counseling.

☐ Submit the CT Extension form to The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board for Internship. This form can be found as a PDF at [http://cswmft.ohio.gov/FormsC.stm](http://cswmft.ohio.gov/FormsC.stm) or in Appendix D. Include proof of registration with the extension.

☐ Submit a copy of the confirmation from the Board approving the extension.

☐ Apply for graduation through the Graduate School office.

PLEASE NOTE: Students may elect to take the NCE Licensure Examination during the last semester of coursework. Student will need verification letter from Clinical or Program Coordinator and apply to the board.
Forms To Complete During & After Internship Completion

The following pages contain forms that you will need to complete during and after the course of your internship experience. Please make additional copies as needed. These forms will be explained more fully in your Internship Course Syllabus.

It is your responsibility to fill the forms out and give them to the appropriate person(s).

Please read these forms carefully. If necessary, make multiple copies of these forms. Please print legibly or type responses.

Forms completed during the internship experience:

**All forms can be found in Appendix E**

- **Documentation of Hours Form and Log** – submit to the internship instructor.
- **Client Consent Form** - have client(s) sign (Appendix B)
- **Parental Consent Form** - have parents sign if counseling a minor (Appendix B)

Forms completed AFTER the internship experience:

**All forms can be found in Appendix F**

- **Statistical Data Sheet on Internship and Clients Served Form** - Complete and submit to internship instructor.
- **Client Satisfaction Survey** - client fills out; Complete five (5) and submit to internship instructor.
- **JCU Internship Completion Form** - Submit to the internship instructor.
- **Internship Supervisor Evaluation Rating Form** - Submit completed to The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board, indicating 600 hours of supervised experience (put in an envelope signed across the seal by the site supervisor.) Send the form certified with receipt to ensure delivery.
- **Site Supervisor Evaluation of Counselor Trainee** - Submit with all other required forms discussed in the class syllabus to the instructor.
- **JCU Program Evaluation** - Submit to the internship instructor.
- **Student Practicum/Internship Site Evaluation** - Submit to the internship instructor.
- Review The Ohio CSWMFT Board’s PC licensure requirements and application.
  - **PC Licensure Exam Guide for Graduates of Ohio Schools**
  - **PC Licensure Application Form**

If student has not completed necessary hours at site, he/she may get a PR in the course. In these cases, CT status may need to be extended. If student plans on collecting clinical hours over summer or winter break, a letter is needed from the Clinical Coordinator and permission is needed from the Board.

Once a student has graduated, he/she must apply for PC licensure. Provisional licensure may be given.

PRACTICUM/INTERNSHIP FIELD AGREEMENT
PAGE 1 OF 3

This agreement is between John Carroll University and ______________________ (the site) and identifies responsibilities concerning the supervision of _________________ (the student). This agreement will be effective from ________ to _______ and for a total of ________ supervised hours.

Purpose
The university and the site intend to provide the qualified graduate student with an internship experience in the field of counseling.

University Obligations

The university will:
1. **Select** for placement only a student who has successfully completed all prerequisite coursework in the Community Counseling program.
2. **Assign** a university faculty instructor to facilitate communication between the university and the site, who shall be available for consultation with the site and the student.
3. **Assign** a practicum/internship instructor who will provide required classroom/group supervision instruction to assist the student in clarifying interactions with clients and preparing for clinical supervision. The practicum/internship instructor is responsible for assignment of a final grade for the student.
4. **Advise** the student of the obligation to secure adequate liability insurance.

Practicum/Internship Site Obligations

This site will:
1. **Assign** a designated site supervisor who must be a PCC with supervision designation (supervising counselor) and a demonstrated interest in training, and who will
   a. **Provide** a minimum of one (1) hour of supervision for every twenty (20) hours of student work; and
   b. **Formally evaluate** the student’s performance at the conclusion of the experience based upon criteria established by the university’s Community Counseling Program; and
   c. **Complete** the Internship Supervisor Evaluation Rating Form for The State of Ohio Counselor, Social Worker, and Marriage and Family Therapist Board.
2. **Retain** full responsibility for all aspects of client care for those clients seen by the student.
3. **Provide** the student with an orientation to the site’s specific services necessary for the effective implementation of the experience.
4. Afford the student the opportunity to provide diagnostic assessments and direct treatment of emotional and mental disorders and conditions.

5. Provide the student with opportunities to engage in a variety of professional activities, above and beyond any required direct service hours; and encourage the student to gain experience in the use of professional resources such as assessment instruments, computer software, professional literature, print and non-print media, research findings and appropriate referral sources and providers.

6. With the consent of the client or, in the case of a minor, the client’s parent or guardian, permit the student to audio or video tape counseling sessions for supervisory purposes.

7. Assist in the evaluation of the university’s Community Counseling Program.

Mutual Obligations

The university and the site will:

1. Work cooperatively in the event of any problems or grievances concerning the student.

2. Not discriminate on the basis of race, sex, age, national or ethnic origin, religion, or disability in the administration or implementation of this agreement.

3. Notify the other party at least three weeks in advance if termination of this agreement is deemed necessary.

Student Obligations

I understand that the attached agreement between John Carroll University and ________________ (the “site”) is intended to provide me with an experience in the field of counseling. In exchange for this opportunity and to make this an appropriate educational experience, I will:

1. Prepare a proposed plan (the “plan”) for the experience, including individual goals and activities designed to facilitate the achievement of the goals, to be agreed upon and endorsed by the site’s designated site supervisor.

2. Secure appropriate, personally held liability insurance, and to provide proof of such insurance upon request by the university or the site.

3. Abide by the policies and procedures of the site and the policies and procedures of the university.

4. Perform the functions identified in the plan, as well as additional functions as directed by the site supervisor; and/or the university’s practicum/internship instructor.

5. Attend required class group supervision sessions to clarify interactions with clients and prepare for clinical supervision.
6. **Maintain** a daily log of overall hours, direct contact hours and supervisory hours in accordance with guidelines of the university’s Community Counseling Program.

7. **Inform** the site supervisor of problems or situations which might affect my ability to function in the clinical setting.

8. **Demonstrate** behavior in accordance with the American Counseling Association’s Code of Ethics and Standards of Practice, particularly adhering to standards on maintaining client confidentiality.

9. **Obtain** written consent for audio or videotaping from all clients in individual and group counseling prior to treatment, and from parent or guardian for all clients under the age of 18.

GUIDELINES FOR THE STATE OF OHIO
COUNSELOR, SOCIAL WORKER, AND MARRIAGE AND FAMILY
THERAPIST BOARD FORMS

The following forms are copied directly from the Ohio CSWMFT Board website. These forms can be found as Active PDF files at www.cswmft.ohio.gov

Forms included in this section:

□ Easy Steps to Counselor Trainee Status: A step by step guide to the application process.

□ Counselor Trainee Initial Application Form. Please note the directions cited under “Instructions to Applicant.” In submitting this form to the Board, the student must attach proof of enrollment in practicum or internship. A copy of your course registration is sufficient.

□ BCI and FBI Background Check Form: Includes information on the process.

***Always check the Board’s website for the most up-to-date forms as they change frequently. There are also interactive PDF forms on the Board’s website, where you can type directly onto the form.***

As you fill out the Counselor Trainee Initial Application Form, the following items should be considered carefully:

Part A., #5. Be sure to include the scope of practice, clearly stating that the approved site includes the diagnosis and treatment of mental and emotional disorders and conditions.

Part A., # 7. Be specific here, including the phrase diagnosis and treatment of mental and emotional disorders and conditions. Be specific also regarding the inclusion of both group and individual counseling opportunities.

Part A., #8. Dates of supervision should indicate one semester. Total hours of supervised experience should reflect 100 supervised hours for the practicum experience and 600 supervised hours for the internship experience. Students will be required to renew this agreement each semester.

**Note: You must apply for a CT extension at the end of each semester**

Easy Steps to Counselor Trainee Status

READ PRINT AND RETAIN THESE INSTRUCTIONS

Simeon.Frazier@cswb.state.oh.us will be your contact person during the counselor trainee process. Contacting Simeon to check for receipt or missing parts of your file can be counterproductive adding to his already busy schedule. The Board asks that you instead follow these instructions: keep copies of all faxed or mailed forms, read and follow all instructions. Allow at least two weeks for processing, then contact him, if necessary. Simeon’s other jobs include but are not limited to Clinical Residents and Supervision Designation for all licensees in Ohio.

Steps towards CT Status

A. You must complete: Criminal records check both the BCI & FBI

1. The Criminal Records Check can take 2-4 weeks to process. Print the BCI & FBI INSTRUCTIONS sheet here: http://cswnft.ohio.gov/odfs/CRCD038.pdf and take it with you to a Sheriff or Police Department. After Board receipt of your background check, with a written request, the board may mail you a copy of your BCI & FBI reports for your future use.

B. The Board will need proof of enrollment in a master’s or doctoral-level practicum or internship

2. Current or future term documents before (30 days) or near beginning of term in which asking for CT status.

C. Complete the Counselor Trainee Initial Application:

D. You must be Supervised by a PC-S or PCC-S

3. A counselor trainee in their practicum may be supervised by a PC-S or PCC-S. A practicum consists of no less than 100 hours of which 40 hours are direct service with clients and or groups

4. A counselor trainee in their internship may be supervised by a PC-S or PCC-S. Supervised internship shall be no less than 600 hundred hours of which 240 hours shall be in direct services, which include diagnosis and treatment of mental and emotional disorders and conditions under a PCC-S.

5. Training supervision shall include an average of one hour of face-to face contact between the supervisor and supervisee for every twenty-hours of work by the supervisee.

Due to budget cuts, the Board will not mail proof of CT status. Follow the steps below for verification of your status. CT status can take up to 30 days. Therefore, please start early and follow all directions. Your name will show up on license verification as pending once your application is processed.

For license verification go to the board’s web site: www.cswnft.ohio.gov

Click on license verification on the left panel, fill in only two areas Division and –or-Name (Last, First)

Beside Division set the drop down menu on Counselor, Social Worker, and Marriage & Family Therapist Board

Scroll down to –or- Name (Last, First) in the first box type your last name in the next box type your first name click the search button. (No hyphens, no middle initials) IMPORTANT! Fill in no other boxes!

Once the page re-loads click on your NAME (bottom of page). The page that comes up next will be the page you print for license verification.

I further understand that any person who knowingly makes a false statement on the registration form is guilty of falsification under section 3931.11 of the Ohio Revised Code, a misdemeanor of the first degree.

The Counselor, Social Worker Board & Marriage and Family Therapist Board is required to collect the social security numbers of all applicants pursuant to 42 U.S.C. Sec. 1320a-7e(b), 5 U.S.C. Sec. 552a, 45 C.F.R. pt. 61, and Ohio Revised Code Sec. 3931.37(8) for potential disclosure to the Federal Department of Health and Human Services Information and Protection Data Bank and/or the local County Child Support Enforcement Agency. Therefore, you are required to fill in your social security number on the application. Failure to comply may lead to the denial of your application.

PRINT & TAKE THESE INSTRUCTIONS WITH YOU TO A WEB CHECK VENDOR

Section 4757.101 of the Ohio Revised Code requires all individuals applying for a license issued by the CSWMTF Board to submit fingerprints for a criminal records check completed by the Ohio Bureau of Criminal Identification and Investigation (BCI&I) and the Federal Bureau of Investigation (FBI). This applies to applicants for PC, PCC, CT, LSW, LSW, SWA, SWT, MFT, IMFT and all Temporary or provisional licenses.

Since the law requires applicants for licensure to submit criminal records checks by both BCI&I and the FBI, you must use the services of a “WebCheck” vendor that participates in the “National WebCheck”. Many DMV license agencies, Sheriff & Police departments within Ohio participate in the National WebCheck. A list of WebCheck vendors in Ohio is available online at:
http://www.ohioattorneygeneral.org/Services/Business/WebCheck/Webcheck-Community-Listing

The Board does not endorse or recommend any specific electronic fingerprinting company/agency.

You need both the BCI and FBI criminal records check for each initial license type. By law, the Board cannot complete the processing of your application until it receives the background check reports from both the BCI and FBI. Background checks are good for one year based on receipt date and licensure date.

PRINT AND TAKE THESE INSTRUCTIONS WITH YOU.

1. Identify a “WebCheck” vendor that participates in the “National WebCheck.”
   *Many DMV license agencies, Sheriff and Police departments within Ohio participate in the National WebCheck.*

2. Submit your fee directly to the “WebCheck” vendor. The BCI charges $22 and the FBI charges $24. In addition, the electronic fingerprinting company/agency will charge its own fee to process the fingerprints. **DO NOT SEND YOUR FINGERPRINTS OR FEE TO THE BOARD**

3. Results must be sent to the BCI&I and then to the CSWMTF Board. *The Board cannot accept a copy from you, another state, your college or university, a sheriff or police department, or from your place of employment.* Mail to:
   
   CSWMTF Board
   50 W. Broad St., Suite 1075
   Columbus, Ohio 43215

4. **List the reason for fingerprinting the following:**
   CSWMTF Board
   ORC 4757.101
   Required for licensure

Instructions for Individuals Residing Outside of Ohio

If you reside outside of Ohio, contact the Board to request the appropriate forms. The Board will mail the forms needed for your fingerprints to be processed at your local law enforcement agency.

E-mail: cswmtf.info@cswb.state.oh.us; Subject Line: CRC; or Call: 614-466-0912

Out of state CRC is a longer process, which can take 4 to 6 weeks. If you plan to visit the state of Ohio before licensure, print these instructions and go to a WebCheck vendor within the state of Ohio to have your fingerprints scanned.

Past Criminal Convictions: If you have a record with the FBI, there will be a delay in receiving results.

Problems being fingerprinted: If a vendor cannot scan your fingerprints call the Board so we can mail you ink and roll cards.

Copies: Once the Board has received your BCI & FBI checks, we can send you copies to your home address. Requests must be made in writing, fax or e-mail are acceptable.

Ohio Bureau of Criminal Identification and Investigation:
If it has been more than 30 days and the Board hasn’t received your BCI & FBI background checks, you may contact the BCI&I at 877-224-0043 ext.7.

Phone: (home) _________________________ (office) ___________________________

I agree to counseling by a practicum/internship student from the Clinical Mental Health Counseling Program at John Carroll University. I understand that this counselor trainee has completed advanced course work in the field of counseling. The counselor trainee will be supervised by ________________________, a John Carroll University Practicum Supervisor or Site Supervisor. I further understand that counseling interviews may be audio or video taped for purposes of supervision. Recorded information is used only for training, with all tapes erased at the completion of your involvement in counseling. Information gathered in the counseling interview is strictly confidential and privileged in accordance with the American Counseling Association Code of Ethics and Standards of Practice and The State Ohio Counselor, Social Worker, and Marriage and Family Therapist Board licensure law. Exceptions to this confidentiality occur when there is suspected child abuse or an indication of imminent danger to oneself or others.

If for any reason questions arise regarding the counseling arrangement or if you are dissatisfied for any reason, you have every right to meet with the counselor trainee and/or the supervisor named above.

I have read the above and understand the nature of the supervisory procedures. Any related questions have been answered to my satisfaction.
