

Dear Applicant,

On behalf of the 2013 Panhellenic Executive Board, I am so excited for your personal interest in becoming involved with the Panhellenic Council here at John Carroll University!

Together Chi Omega, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, and Kappa Kappa Gamma are all a part of the National Panhellenic Conference consisting of 26 women's fraternities around the world.

Our chapters were founded over a hundred years ago to promote friendship among women, during a time where women were viewed as less capable than men. The National Panhellenic Conference officially formed in 1945 to further advance the sorority experience by uniting the common values all sororities share: sisterhood, scholarship, leadership, and philanthropy. The vision of the organization is simple, yet powerful: "Every woman will be a better citizen because of her life-long sorority experience."

Anyway that you choose to become involved in Panhellenic, whether it is through joining the Executive Board, becoming your chapter's delegate, or simply by coming to our weekly meetings, is an incredible way of opening your mind to seeing the greater perspective of our entire sorority community here at John Carroll. Join Panhellenic because you have a deep love and appreciation for the skills you have gained from your personal chapter, but also a *passion* and *desire* to advance the entire collegiate sorority experience.

Congratulations on your decision to apply for the Panhellenic Executive board. This leadership position will give you an opportunity to lead the entire sorority community here at John Carroll and create an even greater circle of friendship through the Panhellenic Sisters you make.

Attached in this packet is the election timeline, information session schedule, NPC information, and application. Please read it over, and email all applications to me by November 15th at 5 P.M. Contact me or anyone else on the Panhellenic Council with any questions.

With Panhellenic Unity,

Deirdre Byrne
Panhellenic President
Dbyrne14@jcu.edu
