

BETA THETA PI

— MEN OF PRINCIPLE —

June 1, 2014

Dear John Carroll University Student:

On behalf of Beta Theta Pi Fraternity, welcome to John Carroll University. This year, you will encounter new challenges and opportunities that will help to shape your college experience and lead to future success in life.

Beta Theta Pi believes that college men should be recognized for their success and for their desire to achieve. In fact, for 175 years, we have been developing men of principle for a principled life. Beta strives to provide strong relationships as well as leadership opportunities and personal development. The Eta Epsilon Chapter of Beta Theta Pi, founded at John Carroll in the fall of 2007, currently has 32 active members who are involved in many different activities on campus, including the Arrupe Scholars Program, Leadership Scholars Program, We The People, and Student Union. The Chapter is proud of its cumulative GPA of 3.30, which is above the all-campus and all-male GPA, and is presently the highest among JCU's four fraternities. We are also committed to service in our community, volunteering regularly with the Milestones Autism Organization and American Red Cross blood drives, and co-hosting an event on campus called "Through the Eyes of a Child." We strive to have a positive college experience through our commitment to service, academic excellence, and leadership.

To underscore our commitment to academic excellence on campus, Beta Theta Pi offers two scholarships totaling \$1,000 (2-\$500), designated by the Beta Theta Pi Foundation and our chapter for non-Greek-affiliated male students at John Carroll University. We seek men who demonstrate devotion to academic achievement and a commitment to making both the university and community better places to live. Most importantly, we seek men who desire to develop skills that will not only help them become successful in college, but will also carry over to their professional and personal lives.

If you are interested in applying for this scholarship, I encourage you to access the application at jcubetas.org/scholarship or on the following page. If you choose to complete the paper application, please return it to the Office of Student Activities at John Carroll (Suite 201 of the student center, above the atrium). The application, either online or by paper, is due by 5 p.m. on **Thursday, September 4, 2014**. By applying for the scholarship, you are *not* committing yourself to membership in Beta Theta Pi or any other organization; rather, you are merely affirming your desire to strive for excellence. For many men, the Beta experience has been a catalyst for success.

Should have any questions, please contact me at bgibalabroxholm17@jcu.edu or 585-748-0772. I look forward to receiving your application and meeting you this fall.
