

DELTA TAU DELTA

COMMITTED TO LIVES OF EXCELLENCE.

September 3, 2014

Dear Incoming Man of Excellence,

On behalf of Delta Tau Delta Fraternity, I would like to welcome you to the John Carroll community. Transitioning into a university setting, indeed, is an exciting and challenging time in a young man's life. I encourage you to fully experience the opportunities that John Carroll has to offer.

As a values-based organization, Delta Tau Delta promotes scholastic excellence and participation in extra curricular activities, and having members who devote themselves to leadership positions in cultural, religious, service, and academic organizations. The John Carroll Iota Iota Chapter of Delta Tau Delta takes pride in maintaining a cumulative GPA of 3.24, which stands above the all-male average GPA on campus. Lastly, our Chapter is committed to serving those in our community, which can be seen in the 700 hours of service collectively done during the 2013/2014 school year – the second-most only to the John Carroll Center for Service and Social Action.

To emphasize the extent to which our organization values scholastic excellence, Delta Tau Delta offers **one scholarship of \$200 to incoming male students at John Carroll University**. We encourage men who are committed to making both their own and other's lives excellent to apply for the scholarship. By this, we seek to reward men who strive for excellence within the classroom and throughout the community in the areas of leadership, academics, and extra curricular involvement. Additionally, a minimum of a 3.0 high school GPA is required in order to be a recipient of the scholarship.

If you are interested in applying for the *Man of Excellence Scholarship*, then we urge you to complete this application, and place it in the Delta Tau Delta mailbox inside the Student Union Office (across from Residential Life) by **Friday September 12th at 5:00PM**. If you need assistance in getting into the building, please call me at 440-539-5090. *By submitting this scholarship, you are in no way committing yourself to membership or affiliation with Delta Tau Delta Fraternity*. Instead, you are simply declaring your commitment to a life of excellence.

If you have any questions regarding the scholarship or Delta Tau Delta in general, feel free to call me at 440-539-5090. I look forward to reading your application.

Yours in Lives of Excellence,

Alexander Wells, Class of 2015
