I _____ consent / _____ do not consent to allow other Honors Program students to review my Senior Honors Project proposal as part of the proposal drafting process (please check one).

Title of Project: _____

Brief Description of Project:

Directions:

1. Fill out this application form.
2. When the Honors Program Director has reviewed at least one draft of your proposal and your Project Advisor has approved a revised draft (see "Proposal Guidelines"), submit your proposal and this form, with the appropriate signatures, to the Director of the Honors Program. The final draft will be reviewed by the Director or an appointed second reader.
4. The Director (or second reader), after approving the proposal, will sign this form and forward the proposal to the Dean of the College of Arts and Sciences or the Boler School of Business for approval and signature, depending on the discipline in which you are writing. You will be mailed a copy, indicating approval (or rejection) of your proposal.
5. You may only register for the HP450 once your proposal has been approved. HP450 is taken pass/no pass.
6. Submit one final copy of the completed project and a 250-350 word type-written abstract to the Office of the Director after your project has been approved by the project advisor and the Director (or second reader). Students must make their projects available through Carroll Collected in the closed or open archive. No grade (for HP 450) will be turned in to the Registrar until this is done.
