Dec 03, 2015 09:57 am

Step 1 : Select a term.

Entry Term: Fall 2015 ▼

Continue

On the next page, you will need to select a program for which you would like to run the What-If Analysis. You should choose ONLY FROM THE FOLLOWING: **Bachelor of Arts, Bachelor of Arts in Classics, Bachelor of Science-Bus Admin, Bachelor of Science, or Bachelor of Science-Economics.** The program you select should reflect the **degree** in which you intend to graduate with, not the **major**.

After selecting the program, you will need to select the major(s) that you want to be evaluated under.

If you would like to choose more than one major, add a concentration (to a valid major), or add a minor, select **Add More**. You may need to do this multiple times.

After selecting all appropriate majors, concentrations, and minors, choose the current term as the **Evaluation Term** and click **Generate Request**.

What-if Analysis

Step 8 : Select an evaluation term.

Please note, processing may take a few minutes.

Reading Your Degree Evaluation

The first area of your degree evaluation will give you information about your credit hours and GPA.
The **Total Required** refers to the credit hours required for your degree program. In this case, it is 120. The **Used** hours will reflect all of the credits that you have completed, transfer in, and <u>are currently registered for</u>.

The next two lines refer to the graduation requirement that the last 30 semester hours (2 semesters) must be completed in residence at JCU and may not be transferred in from another institution. Please keep this requirement in mind when scheduling classes for your junior/senior year.

This area also lists your overall GPA, number of transfer credits, and the number of 'in-progress' credits.
