APPLY ON-LINE HOUSING AGREEMENT DEADLINE

MONDAY, MARCH 10, 2014 at 11:59pm

Agreements **MUST** be submitted online by this date to participate in housing selection.
The Housing Agreement is binding for the 2014-2015 academic year.

Current First Year Students: John Carroll University has a 2-year residency requirement. You are required to live on campus during your sophomore year unless you are commuting from home (defined as living exclusively in the permanent and primary residence of a parent or legal guardian). Because of the residency requirement you are also guaranteed a space on campus for the 2014-2015 academic year. **IF YOU DO NOT COMPLETE THE PROCESS AS OUTLINED, YOU WILL BE ASSIGNED A ROOM AND HELD TO THE ENTIRETY OF THE HOUSING AGREEMENT.**

If you are currently living on campus, but plan to commute from home during your sophomore year, you must do the following by **March 10, 2014:**

- Complete a "Request for Release" form (can be found at sites.jcu.edu/reslife)
- Submit a notarized or certified letter from a parent/guardian with a signature and contact information stating that you will be commuting from home. Letters must be sent to the Office of Residence Life.

Current Sophomores, Juniors, and Seniors: Housing is not guaranteed after your first two years. ***However, with the re-opening of Murphy, we anticipate being able to meet the demand for housing for the 2014-2015 academic year.*** If you plan to participate in the Housing Selection Process, you must complete the Apply On-Line process by March 10, 2014. ***Accepting the Housing Agreement does not guarantee you a space in on-campus housing.*** If at the end of the Housing Selection Process, space is not available, the following will happen

- You may choose to be placed on a waiting list in the event vacancies occur at a later date.
- The Office of Residence Life will provide you with contact information and resources about local off-campus housing options.

****The Housing Agreement is binding but, if housing is not available, you will not be held to the agreement. However, if space (even if it is not your first choice space) is available you must select a room and you will be held to the entirety of the Housing Agreement.**

What is your Class Status for the Housing Selection Process: Your class status is based on your cohort (social) class. It is not based on the number of credit hours you have earned or your GPA. Your cohort status is determined by your anticipated date of graduation, date of first enrollment at JCU, and/or birthdate. Check your class status during the Apply On-Line process. After reviewing your class status, if you think your class status is incorrect, please contact the Office of Residence Life at (216) 397-4408 or jcureslife@jcu.edu.

Studying Abroad? The Office of Residence Life will not be placing a hold on rooms for those who are studying abroad during the 2014 Fall semester. **If you are going to be abroad during the 2014 Fall semester and would like to return to housing for the 2015 Spring semester, please do the following:**

- DO NOT accept the On-Line Housing Agreement. You will sign the agreement once you have been assigned a space for the 2015 Spring semester.
- Sign up for the waiting list for 2015 Spring semester housing OR
- Let the Office of Residence Life know if you have made plans to take the place of a student who plans to study abroad during the 2015 Spring semester.
- For either option, contact the Office of Residence Life at jcureslife@jcu.edu after March 10, 2014.

If you are planning to live on campus for the 2014 Fall semester, but planning to study abroad for the 2015 Spring semester, complete the Apply On-Line process and Housing Selection process as outlined.

*****Please note:** We were able to house all those who returned from abroad and wanted housing during the 2014 Spring Semester. We anticipate the same for the 2015 Spring Semester.

All of the Housing Selection Information and Step-by-Step Instructions for the Apply On-Line and Room Selection process are available at go.jcu.edu/liveon

Be Prepared: Make sure you are prepared with a back-up plan in case you are not able to select your desired housing at your scheduled selection time. It is important that you talk with your potential roommates about what you will do if a suite, specific room, house, or duplex, is no longer available. Make sure all of you understand your alternatives so someone is not potentially left out of housing options.

No Room Changes: There will be no room changes from the time you make your housing selection this Spring until two weeks into the Fall semester. Please make sure that you are selecting your roommate/suitemates based on compatibility—not their selection time.
