

STREAKS REUNION ANTHEM 64

Streak Reunion Anthem '64

Onward on to the loyal and true
Gathering in 2014 to celebrate anew
Academic achievement and nightlife venue
Attacked equally with fervor at old JCU.

From vantage of two score and ten years we view
Fondly the Warrensville social mileu
Shrouded quad exploits leave eyes freshly a-dew
Glee club, I-chi, sagacious Sigma Nu
U Club, ROTC, Little Theatre Review
The gallic short skirts of Janelle Mieux.

Recline, raise a flagon, and rejoice as I spell ye:
Saga stalwarts fulfilling pleasures of belly,
Intellectual needs nurtured in Tower Gracelli,
Slumber's comfort 'neath gabled Bernet and Pacelli.
Statistics Accounting Finance and Econ
Ethics, Theology and Summer Camp recon.

Dayhops abound in Student Union Center
Blessed was the moment that barriers of gender
Were broken senior year in a stroke most bold
Sparking campus morale as has often been told

Victory flag high 'bove grid exploits triumphant
Tipp and Big John lead the fierce wolfpack hunt
Field position assured Heave returning the punt
Orange Gus and Gordy conquer titles redundant.

Allegheney Thiel Reserve and Case
made bold attempts most heinous and base
To steal Coach Ray's crown, our lightning and thunder
John Crushall's might kept them firmly thumb-under.

Senior year brings Mock Convention political
But also begins adult decisions critical.
We stretch Nagle nights long towards the day
But graduation gathers nigh, no way to delay.
Senior year a last chance to grow and to play.
We groove to the Beatles, mightily grieve JFK.

Final farewells gamut run, weary us
Then on to the real world, powerful, mysterious
Law schools daunting and grad schools astucious
Career-shaping forces await many at Ft Eustis.

Look back, Sons of Carroll, where we have been
Winning journeys accomplished, some planned, some whim.

**Down history's pathways murky and dim
Carroll's foundations instilled a tradition to win.**

**Resolve now brothers and sisters akin
To gather close round the quad once again
We'll celebrate 50 years with joy, food and drink.
Review fond memories gone by in a blink
And excuse tall tales with a nod and a wink.**

**Onward on to the loyal and true
Gathering once again to celebrate and renew
Best friendships begun when beer was 3.2
Honed o'er a lifetime, Streaks through and through. - Frank Kelley**
