

# 2019 SCHEDULE

Hello, Blue Streaks.

Welcome home to Carroll! Reunion Weekend is such a special celebration of our connection to this great University – I wish you many moments of reminiscing, revelry, and reconnection as you wander around campus, remember beloved study spots, and explore new spaces! I hope you take this time to rediscover what John Carroll means to you, remember what brought you here initially, and expand your knowledge of John Carroll's growth and vision for the future.

Reunion is also a time to renew our commitment to the Jesuit ideals of service, lifelong learning, and conscientious leadership. There are numerous ways to achieve this in our reunion schedule. Reconnect through events like the Reunion Kickoff Reception and reunion class events, rediscover your love of learning through a panel or program, and remember your Blue Streak pride at the Blue Streak Lunch. I encourage you to take to your social media platforms and share your favorite parts of the weekend, including your "reason to reunion," tagging photos with friends old and new using #JCUREunion.

On behalf of our faculty, staff, and students, welcome back! No matter where each of our lives have taken us, we all share the unique bond of memories and friendships forged on campus.

Onward On,

Dave Vitatoe '00  
Executive Director of Alumni Relations

## CAMPUS UPDATES

John Carroll earned the **#4 spot in the 2019 U.S. News & World Report Best Colleges Rankings**, among Best Regional Universities in the Midwest. We were the **top-ranked institution in the state of Ohio** in the Midwest category. The 2019 ranking marks a milestone for us, as this is the **30th consecutive year that the University has been recognized in the top 10 in the Midwest**. Additionally, we were recognized in the following categories: **#3 regionally in Best for Veterans, #8 regionally in Best Value, and #8 regionally in Most Innovative Schools**.

We celebrated the **50th anniversary of coeducation at the University** during the 2018-19 academic year. The yearlong celebration of the **“Women of Carroll”** included storytelling and events, including a **“Sisterhood of the Traveling Scarf”** event geared toward building stronger community bonds. Our first full-time coed class was welcomed to University Heights in the fall of 1968.

In February, an **anonymous graduate made a \$20 million unrestricted pledge to the University**. An unrestricted gift is rare in higher education and can be used to **address our most immediate needs and priorities**. The anonymous donor underscored a deep gratitude to leaders who made a significant impact on their college experience, namely **former University presidents Rev. Joseph Schell, S.J., and Rev. Henry Birkenhauer, S.J., as well as Walter Nosal, Ph.D., founder of the John Carroll Counseling Center, and Arthur Noetzel, Ph.D. '38, former academic dean of the Boler College of Business**. The donor also stressed the impact of a **social fraternity** in making the pledge.

Our **Department of Athletics unveiled a new brand** in May, kicking off formal **celebrations of the 100th anniversary of intercollegiate competition at the University**. The formal unveiling took place in the Tony DeCarlo Varsity Center on May 3 in front of student-athletes, coaches, faculty, and staff. To learn more about the new look for Blue Streaks, **visit [jcusports.com](http://jcusports.com)**.

We joined the network of institutions which comprise **NEOLaunchNET**, a regional initiative which seeks to inspire a culture of innovation on college and university campuses. Through the support of LaunchNET, our **entrepreneurship students will benefit from a multitude of opportunities**, including coaching, mentoring, special programming, and more.

We entered into a partnership with **Say Yes to Education**, a leading national nonprofit organization that partners with communities around the goal of making a college degree affordable and attainable for every public high school graduate. Through the partnership with Say Yes to Education, **graduates of the Cleveland Metropolitan School District who meet requirements will have access to scholarships to JCU and other area institutions**.
