

Mission & Advocacy Committee Meeting

11.19.18

ATTENDEES:

Brandi Mandzak
April Skurka
John Brautigam
Melanie Moss

AGENDA:

- Reviewed information from Listening Sessions, once we have the information in digital form, Brandi will bring to Staff Council Exec Mtg, along with some potential solutions, which will then in turn be shared with SLT. One potential solution is to have dedicated strategy sessions, within each Department, with the focus being on working smarter, not harder- providing support, tools, and tips to help those who are struggling with their workload.
- The Supervisory Listening Session will be tentatively scheduled for February.
- Ignatian Spirituality week is the week of Jan 28th. Our committee will launch the Scavenger Hunt via the Goosechase app on Jan 21st. During the program on 1/30 in the Murphy Room, the winner will be announced at 3:30pm. This event will be a collaborative program. Details TBD
- Discussed some potential rules for Scavenger Hunt (Min group of 3, Max of 6 – must include 1 staff, 1 faculty and 1 student) (Submissions will be due 1/29 at 5pm, winner is the first group to complete all the items correctly)

ACTION ITEMS:

- Mel to have one of the students type up feedback from Listening sessions notes
- Brandi to have one of the students type of feedback from surveys
- April shared the link to the Ignatian Displays so we can get started on Scavenger Hunt ideas
- Brandi to look into the wristbands for participation prizes for Scavenger Hunt
- We need to decide if we will have food, etc.
- We need to solidify details on collaborative program for 1/30
