

Streak Week Assistance Team (SWAT) Leader Application Packet

Dear JCU student,

Thank you for your interest in becoming a Streak Week Assistance Team (SWAT) Leader for the incoming class of 2020! The primary goal of this program is to make our first year students' transitions from home to JCU as smooth and enjoyable as possible. I'm sure most of you remember that starting college can be an incredibly exciting, but stressful, experience, and this program aims to help to alleviate some of that anxiety.

Please read the rest of the information in this packet carefully before you complete an application. It is essential that SWAT Leaders are available during the dates and times listed in this packet, so please consider your summer schedule when applying. **It is especially important that you are available during the week of August 22, 2016, as this will be move-in week, training, and Streak Week (fall orientation).** More specific information regarding dates and times will be sent to you during the summer. If you have any questions or concerns, do not hesitate to contact me at kodell@jcu.edu. Thanks again for your interest in being a SWAT Leader... I really appreciate your commitment to our campus and your future classmates!

**** Please note that New Student Orientation leaders and Resident Assistants are not eligible to apply. Also, if you are selected to be a student leader for the Cleveland Neighborhood Project on Living the Mission Day, you will not be eligible to be a SWAT Leader.**

Thanks and have a great day,

Kyle O'Dell, Ph.D.
Director of Orientation & Leadership Programs
